“ *I will never forget the memories from our childhood (me and Diane) that were so special with Judi. She was our mentor, our big sister, our very special, special friend. God speed lovely lady! I know God has special jobs for you in Heaven in caring for and loving all the animals that have crossed the bridge. Sending comfort to you Frank. You two were always the neatest couple in my eyes...*

“ *Frank, it is with sincere empathy that we wish solace for you and your family. We hope you find the day soon when thoughts of Judi are filled only with the joy of her life and not her passing.*

“ Frank and family, I'm saddened by the loss of your wife. I pray that she resides in heaven and rejoices in the life God gave her and you. You will miss her, but you will be reunited. What seems an eternity on Earth, is just a moment in heaven. She will "prepare ye the way". My deepest condolences.

“ So sorry for your loss, Frank. Judi was a compassionate loving daughter....not just because she was a nurse daughter but because she loved and cared about her Mom with all her soul & heart....just as she would have for any loved one. She truly loved helping others. ..she will be missed greatly. Her time ended too soon...she is now in heaven with her mom..in the loving arms if Jesus.

“ Judi was a Great sister. We sometimes didn't see eye to eye on things, but she was a good sister. Judi loved animals! She loved shopping, I didn't. Judi loved taking care of mom, they were like buddies, I really appreciate her doing that, since she was a nurse. But I think her Smoking got the best of her. I wished judi had quit smoking, we all have our faults. We all Loved judi! Now judi having coffee and a smoke with mom now.
