“ I first met Judi at CURVES and we shared a lot of laughs as we worked out together. She was so much fun to be with and when she invited me to join her Thursday Mah jongg group I decided to give it a try. I will miss her and that wonderful smile that lit up the room! Judi often talked about her family and my thoughts and prayers are with them at this difficult time. ❤️

“ I knew Judy from Curves. She was a beautiful lady who had the best laugh. I didn't know her well but she was very friendly and easy to talk to. I miss her. She helped to make working out fun! Til we meet again Judy.

“ I’m so sorry for your loss. Judi was just the nicest, kindest person. We played Euchre and Mah Jongg with her at the clubhouse. The Mah Jongg group especially has been a small, tight knit group, and she has been missed. During the post covid months when the clubhouse was still closed, she opened her home up for us to play there, which was time spent together that was really important after the isolation. Something we all looked forward to!

“ To Judi’s family and friends, I knew Judi from CURVES for seemingly many years. She was a very gracious and salt of the earth human being. She and her smile will remain with us in our hearts and minds. May her memory always be a blessing to all of her family, to her friends, and those who knew her even casually.
