“ *It was a privilege to serve as Judy's pastor in Alabama. She was a special lady who brightened everyone's life. We have missed her since she moved and I know you'll miss her now as well.*

“ I will always remember the family get togethers at Too Too's Garden City house. All the kids hanging out in the basement, drinking faygo, eating pretzels and playing jepordy on the computer. Playing horseshoes in the backyard with Ralph & Bob and just having a great time. I will miss my Aunt Too Too and Aleta and I will pray for you every night.

“ I remember with a smile and giggle some of the wonderful times of our youth, July and Susam playing beauty shop and cutting only one side of my head, teaching her younger cousin to save the bubble gum on the back of the headboard, doing the stroll, and as life went on, about friendship and smiles and wearing makeup, becoming a wife and mother and that "Gypsy" blood that we share! I shall miss her, but know that God has taken her home to her loved ones. I will always cherish the fun times!
