

Judith Ann Hogan

June 25, 1946 - March 18, 2020

Judith Ann Hogan passed away at her home at Gilbert Residence on March 17th after an extended illness. Judy was born on June 25, 1946 to Francis and Kathleen (Olson) Hogan in Wyandotte, MI. Judy is lovingly remembered by her sisters Maryfran (Ronald) Podolak, Jeanne (Tino) Lambros, Christine (Gregory) Henk and her brother Patrick (Barbara) Hogan and cousin Bonnie (John) Wascher and family. She was a devoted aunt and enthusiastic supporter to her nieces and nephews...Jon (Trish) Podolak and family, Jeremy (Sarah) Podolak and family, Christopher (Justyna) Podolak and family, Dan Hogan and Amber Ginyard, Leslie (Brian) Kennedy and family, Michael Hogan and Ian Anderson, Emily (Michael) Newcomb, Patrick (Kristi) Lambros, Brian (Bessie) Henk and family, Erin (Ben) Bode, and Andrew Henk attending sporting events, school events as well as dance and piano recitals. Judy grew up in Lincoln Park, Michigan attending Christ the Good Shepherd Grade School, Immaculata High School (Detroit), graduating from St Francis Cabrini High School (Allen Park) in 1964. Judy earned a Bachelor's Degree from the University of Detroit and a Master's Degree from the University of Michigan School of Social Work. Her professional career included 30+ years of lovingly and tirelessly supporting children and families through the Michigan State Department of Social Services, the Archdiocese of Detroit, and the Detroit Public School System as well as providing family support through her years of private practice, retiring in 2010. Judy dedicated her life to serving friends and families as she shared her love of God and her musical talents as a parish

social worker, church organist, choir director/member, Vacation Bible School teacher and “whatever was needed at the time” at the Detroit parishes of St. Agnes, St John the Evangelist and St. Elizabeth as well as East Catholic High School...even coaching the girls’ softball team at one point...because that is what they needed!! Over the years of her long professional and personal life so many of us depended on Judy as we moved through our daily lives of working and raising our families. The years that Judy was able to generously share her time with her friends and family are memories that we will all hold dear. We are so thankful that we have had the opportunity to “return the favor” and play a role in her comfort and care during her final years. We thank the caregivers at Gilbert Residence and Arbor Hospice for their friendship and dedication to Judy’s care. Donations in Judy’s name may be gifted to Gilbert Residence, 203 S. “ *I just saw this today and am very saddened to hear this news. Judy was such a beautiful person. Our families knew each other. However, Judy had the task of teaching me piano. Most people know how talented my sister Marie Targosz LePage is at piano. Well I'm not that Targosz girl. Judy was very patient with me as I struggled with different song's she taught me. Till this day I am grateful for her kindness. RIP Judy!*

“ *So very sorry to learn of Judy's passing. We lost touch after high school but still enjoy some great memories of Judy at her best... how lucky we were to have her join us at Cabrini from Immaculata! The world was a better place for Judy having been here ❤️
Condolences to all her family... Barb Wolfe Harrold*

“ *What beautiful memories I have of growing up on Riverbank In Lincoln Park- just a few houses down from the Hogan’s. I spent many hours with the Hogan family. Their dad sold my family our home. Judy and I were in the same grade at Christ the Good Shepherd. I have many memorable (black and white!) pictures of us all playing and eating birthday cakes! Such a sad time for them. You are all in my thoughts and prayers. Heaven gained an angel 😇 Pat Bruley Miller*

“ *On July 11, 1964 we were being married at Christ the Good Shepherd Parish in Lincoln Park.
We were ready to process in and the Organist (I think John McKenzie) had over slept.
Somebody said, "maybe we can get Judy." Like a Miracle you showed up within minutes.
THANK YOU AND GOD BLESS YOU FOR SAVING THE DAY...!
With Gratitude: Bob and Jackie Penman nee Tobin
In July we will be happily married for 56 years.*

“ Judy was my dearest friend. She was an integral part of our family life. She helped with our wedding, was there for the births of our 4 children. She was godmother to our first born, Patrick. A fond memory for me was our dinners together. She introduced me to some of the finest restaurants in town. What she especially enjoyed were their "homemade" desserts. I will miss my good friend. She will always be my Anam Cara.

I knew Judy for a short time, maybe three years at University of Detroit. But she left an indelible impression. She was adorable, sweet, fun, and smart. I was invited to her home to study for a French final and met the Hogan family. I remember it well. I was sad to see this news about her passing. It appears she led a beautiful, faithful, generous life. God rest her soul.

I was saddened to read the news in yesterday's Free Press of Judy's death. She and I worked and lived with the IHM Sisters at Saint Agnes(1966-1975). These were challenging and great times to be involved with the parish community as well as the various neighborhoods in the area. Judy's kind, generous and caring ways touched so many lives. May she be enjoying her heavenly rewards for serving the people of God so faithfully. My sympathy to her sisters, brother and extended family. Kathie Staley
