“ Judy was a long time patient of mine. I'm her dental hygienist. She was very regular with her dental appointments. She was my patient for 10 years. I will miss her stories of travel with her husband on cruises and such. So sad to hear this. May God be with your family and enjoy your time in heaven

“ *Judy was my step-mom and loved me and my sister and brother as we were her own. She took great care of us and just loved us. I'll never forget all the things she took us to do as kids to entertain us. She was a wonderful mother and person and I have no doubt she will be a wonderful angel to those who love her.*
