“ *My entire family was saddened to hear about Uncle Julians passing. He was always a quiet, gentle man with a love for his whole family and extended family. He always had a smile on his face and a joke to tell. He was a great listener to the little ones in the family, and you were never afraid to approach him. He will be missed. And could he polka!!!!*

He was fun to play golf with, never made fun of my errant shots while playing a round of golf with him just a gentle comment with a chuckle or smile..Julian maybe you will get a few rounds in with the Angels I know you are with now. “ Mr. Kowalski was a kind man, a true gentleman and he was always smiling and I will hold him memory in my heart in that way. A terrible void is now left in his family's hearts but heaven gained a new angel to watch over those he loved so dearly, praying for the family to find peace and may the legacy he left behind become a source of comfort one day.

“ I had the privilege of meeting Julián several years ago at Richmond Forrest when he was a starter on Sunday morning, I had first tee time ,so we got to talk al until I could see where the ball went. He was a great man and could tell a great joke. Then for several years we would play all most every Monday morning unless it was too wet or too cold. He had a great sense of humor and I loved playing with him. He always talked about his family. Wife, Boy's ,and grand kids. He was a very special person, he will be missed by all. You will be able to bend over to get the ball. Out of the cup now. Carl David Brown
