

## Julie Lynn Schreck

October 31, 1962 - November 21, 2024

Julie Lynn Schreck of Canton, Michigan passed away peacefully at home on November 21, 2024. She was the beloved wife of John Schreck and the loving mother of Alexander Schreck. She was the dear sister of Matthew (Kathy) Gausden and the proud aunt of Graham and Eian Gausden. She was a loving cousin to many, including Christine Gausden. Elizabeth Dietrich, a dear friend, has served as a second mother to Julie for many years. She routinely surrounded herself with lifelong friends including Carole, Cherie, Monica, and Louise. Julie was born on October 31st, 1962 to Arthur (Larry) and Joan Gausden in Detroit, Michigan.

Julie's early life was characterized by sleepovers and pool days with her friends who lived on Fairway Street in Livonia. She went on to be part of the "Burger Chef Gang" of Bentley High School where they would meet up and gossip, hang out, and occasionally get into trouble. Julie continued to enjoy making new memories with her friends up until her passing.

Julie went on to attend Schoolcraft College and ultimately entered the retail business where she opened her own Men's Formal Wear store called The Plymouth Tux Shop on Starkweather in Old Town Plymouth.

Julie married the love of her life, John, on October 28th, 1995 and together they had their most treasured blessing of all, Alexander. The trio spent

countless weekends at their treasured Higgins Lake. Julie became a stay-at-home mom, a job where she cooked the most amazing meals, always volunteered to help others, and assisted her son with countless math assignments, book reports, and art projects. In her free time, she loved trying her luck on the Wheel of Fortune Slot Machines. Anytime she was home, she could be found enjoying a Super White Lightning from Biggby Coffee or an ice-cold glass of Mtn Dew.

Julie was known for her fierce love of her family and most of all her immense pride in her son. A common point of humor was that everyone knew the second Alexander accomplished something, her tears would start flowing. Despite her health concerns, Julie always pushed to make herself better. She never gave up, and now we are all thankful she is at peace.

May She Rest in Peace

“ We did life together, Gosh, we have so many great memories together, its hard to pick just one. From Christmas eve get togethers as kids to swimming in their pool in summertime, opening her tuxedo shop, to her first date with John! She knew this was the man she was gonna marry after their first date!!! Imagine that WOW!! We did a bridle fashion show with Julie aunt Joan and myself! Such fun memories! From having children, planning weddings, even losing our parents! We did life together and losing her will have a profound effect on me and my life. If you knew Julie and she called you regularly.. you know alot of the time she just sat on the phone and you did most of the talking, but I still looked forward to her daily calls. Man Jules, Im so gonna miss our talks! I love you more than mere words can say and I will miss you and share your memory for the rest of my days!

“ My deepest condolences John, Alex and family. Julie will be missed! Thanks for the memories ❤️ The absolute best memory to date was up north at the cabin playing cards against humanity. And Julie quietly throwing out straight faced one liners. We laughed so hard we were crying.

“ Our family sends condolences to the family at this difficult time. Julie is now at peace and without pain. Our two families have been connected for decades so we will all feel the emptiness in the Schreck family.
