“ *Mrs. Guideau was always very nice to us. She was the best neighbor we could have had and because she was so happy, years ago, when she learned my daughter had joined the girl scouts, I wanted to do something to show our appreciation. So my family and I have made donations to both the Boy Scouts of America and the Girls Scouts of America in her memory. I will always remember her kindness and that mischievous little twinkle in her eye as she smiled at you and chuckled. She was a wonderful lady and will be missed.*

Judy and Chuck were friends of or parents... Clifford and Dorothy Newman. They were active in The Friendship Ctr in Westland and had many many great times and trips together. They also played a lot of cards together at each other's homes. My parents moved to Lilley Pointe Condos and continued to see Judy and also Pat. We met her on several occasions and they were so nice! Our Mother passed away in 2002 and Dad in 2005! We miss them dearly . Sorry to hear of Judy's passing.
