“ My beloved grandmother! I love you you Mom with all of my heart, I cannot explain to you how much our family and I miss you.... the loss of you has been devastating for our family as you are the matriarch to each of us. I ask that you can see, hear and feel all of the love that each of us have for you, as it will span each of our lifetimes. Your fierce love for each of us has and will always be one of the most beautiful things of our lifetime. You have made an irreplaceable investment into each of our lives, that your loss is felt with such a magnificent sorrow. Mom, your passion, love and grace I celebrate that with you as you have begun your eternal life..... may you enjoy this beautiful beginning alongside our family and friends that have gone before us, and may you continue to invest your love and education in all of us! My Grandmother a pillar of my life, I love you with all of my heart and miss you so very much ! I will never be able to express fully how proud I am to be your Grandson, Your “Cookie Boy # 1”
