“ *From the day I first met her, she made me feel like I was one of her own. I suspect that all who met her felt likewise. She was a woman with the kindest of hearts, a marvelous sense of humor and superior wit. I remember her sending to our family, a plate of Kibbeh when she'd heard that my mother was sick. These offerings were sent on many occasions. I was blessed to have known her!!!!!! To all the Abrahams and all who new Mrs Abraham, please accept my heart felt condolence.*

“ My deepest sympathy to your family at this time of sorrow. Perhaps they are not stars, but rather openings in Heaven where the love of our lost ones pours through and shines down upon us to let us know that they are happy. You are in our prayers.
