“ To the family of our dear friend June Witthoff:

We were so sorry to hear of June's passing and want to offer our condolences to you all. We were aware of her illness through a letter she dictated to a niece for us. We four, June, Will, Dick, and Celeste shared a lot of good times together and those memories will forever be cherished.

June was a dear and gracious true friend and we will miss calling her or hearing from her. If we could get in touch with Heaven, we surely would find her residing there.

Again, dear family of June, you have our deepest and most sincere sympathy.
