“ I miss those long nights when we would just chill and “powwow” out in the garage, or going on a journey around the block. You were my best friend, uncle and brother. You will never be forgotten. Everybody misses you’re knowledge and presence. God has given you happiness and peace again. Rest In Paradise Love you

“ *Justin always had such a kind soul, he was smart and very talented with his art. He took part in a very important time of my life and I'm very grateful to have known him. I hope your dancing, smiling and living the good life in heaven that you lost here on earth. Rest in paradise.*

Karen, Randy and family I'm so sorry for you loss. May you find comfort in this time of grief and courage to keep moving forward.

“ *Justin was an amazing and talented young man. He was always positive and such a go getter. He had the ability to make anyone laugh and had a smile that could light up a room. He tried to find good in any situation even if it was bad. He was as stubborn as an ox but was also sweet as can be. He will be missed by many.*

Prayers to his parents karen and randy, siblings joey, james and nephew landon may god give you all strength to get through this tragedy. I love you all and i love you Justin. May you fly high with your big brother karl. ❤️😭
