“ Mark, I remember Karen from my first day of second grade at Beverly Elementary School. Her broad smile and boundless energy amazed me during the next decade as we both moved through Beverly and Groves. Recent thoughts of Karen prompted me to seek her out and tell her how over the years I have frequently recalled her sweet spirit. I'm sorry for the loss of your sister. “ Mark and Lauren,
I remember meeting Karen when she lived in Royal Oak. She showed me all of her pictures of the family from "your growing up" days and the pictures she had of you Lauren in little heart shaped stand up frames. She clearly loved both of you so much and you Mark were an awesome brother to Karen! Be grateful for the memories!
