“ *Karen, Denny and I were eating wings and things at Buffalo Chips in Bonita Springs Florida last month. I drone them to the airport a few days later and my final memories of her will be her contagious smile. She was a wonderful friend with a heart as big as any. She will be missed but not forgotten*

“ *20 + years worth of memories probably as many as tears that I've cried these last few days or more. You will always be one of the best friends I've ever had. I will forever miss you and have you tucked away in my heart. I know heavens doors were opened wide for you with Brenda, your Mom and Dad there to greet you. I hope you're dancing and flying with the Angels. Hugs and love to you and Dennis, Jeff and family and beautiful Cindy. Barbie ❤️ (what you always called me)*
