“ To My Sister Karen,
If tears could build a stairway and thoughts a memory lane,
I'd walk right up to heaven and bring you home again.
There would be no more pain and you'd be happy one more
And we'd remember all the happy times and life would have much
more in store.
But although you're gone today,
you'll forever have a special place inside my heart
where you'll always stay.
Love,
