“ *I will never forget this beautiful lady, she was always a joy to be around. And that voice she would say when playing with Charlie Brown.*

“ I am so sorry to hear of Karen's passing. I have known her since she was fourteen. I have always thought of her as my best friend , even when we didn't see each other. We could always just pickup again like it was yesterday. I will miss her terribly. She was a wonderful friend who cared deeply for her family and friends and will truly be missed.

“ Karen will truly be missed. She was one of the hardest working people I know and never asked for anything in return. Karen left working at the hospital not too long before I retired and I still missed her everyday while I was still there. Sit back and relax now Karen, God will take it from here.
