“ *Granny we love you so much. My heart hurts so much. I am going to keep going to school and making you proud, thank you for everything you have done for me, from letting me live with you; to teaching me how to hold and feed Bella the right way, and Bella said thank you for her blanket. We Love you*

“ *I don't know where to start. We will miss you dearly. It has been said that you now have your wings. The thing is you've always had the wings in our family. I know the day is going to come where I'm going to want to pick up the phone and call you. As we did so many times with each other. But the phone I'm not going to need I'll talk to you everyday mom. I'm glad you're at peace you're in Gods grace. God has already blessed you.*
