“ Our deepest sympathy to all of you on the death of Karin. As I decorated our Christmas tree this year she was very much in my thoughts and in my heart. You see, a long time ago Karin had given me some little wooden Christmas ornaments from Germany. Every year as they were placed on the tree, Karin was fondly remembered. This tradition will continue and she will forever be in my heart. She will not be forgotten.

“ So very sorry to hear of the death of your mother and wife. We were neighbors back in Belleville, at Lake Villa Apartments. Melanie gave me some wonderful baby clothes from Germany which I still have and my grandson has recently worn. Such memories.
