“ *Katie worked with me at Target and from day one we were friends. It might have been because we shared the same name even though we spelled it differently or our passion for kids. I really enjoyed the relationship we had and I am so heartbroken with our loss. However I am pleased to say the time we shared together was great. After she left Target she and her mom Kathy would always stop in to see if I had broke free from the Target madness but I was always still there. We would laugh and talk and Katie would always encourage me to fulfill my dream job which was teaching. I will truly miss her dearly. Rest In Peace Katie*

“ Katie was truly one of the most beautiful people I have ever known, both inside and out. She was my daughter's, (Elisabeth), dance teacher. Elisabeth loved Katie - she was more than a teacher to her, she was a trusted friend. We will miss Katie for she was the reason Elisabeth kept dancing when she most wanted to give up. She will be missed beyond words.

“ Kiley was in Katie's very first year kindergarten class, and she adored her! She learned so much from Katie, and was so very lucky to have such a strong foundation for learning built by her. Every day at pick up you could see the love her students had for her, always hugging and smiling at her! We would see Katie out and about quite a bit, and she would always smile and wave, or chat with Kiley (who always got a kick out of seeing her around!)

To Katie's family and loved ones: I cannot even begin to imagine your pain right now. I hope that all of your love and memories of her keep her spirit alive in your hearts forever. My heart is heavy for you all, you are in my and my families' thoughts.

“ My 4 yr old was in Ms.katie's class. I did not know her well but every time I saw her she was always had a smile on her face . She worked very well with the girls especially, some who were too shy and don't want too. She wanted all the girls to be included no matter what. My heart is breaking for this family . Especially, her mother , who is always so delightful every time I see her . I'm praying hard for the entire family to get through this difficult time . I can't even imagine the pain that they are going through. Sincerely, Manriquez family

“ My daughter Shelley loved Miss Katie as her dance teacher. In May, just before recitals, my daughter needed new tap shoes. Katie lent us a pair so we didn't have to buy them just for the recital. I was always so grateful for that. I really loved her positive spirit. She will be dearly missed by all the students and parents.

Katy placed the sticker right on Ivah's nose and Ivah and I laughed. “ *I knew Katie through her parents. To say they were close is the biggest understatement there is. Their mutual love and respect was so apparent. Katie possessed the traits that Mark and Kathy bestowed on her of compassion, love of family and respect for others. Most people I know can only hope to have such a devoted relationship with their children. Katie's generosity of gifting her organs is truly remarkable. What a legacy!*

“ *Our daughter Penelope (Penny) was a student in Katie's class last year. She came to SPS in November and was nervous about making friends and meeting her new teacher. Mrs. Roy took Penny into her classroom and into her heart. Under her care, Penny flourished! Katie brought out her confidence, allowed her to be her funny and carefree self and by the end of Kindergarten, our baby girl was reading chapter books and doing multiplication! Katie was an amazing teacher and a friend to all of her students. Penelope loved her dearly. Our whole family was heartbroken to hear of her passing and Penny has been saying prayers to God every night to take good care of Mrs. Roy. She has made such an impact on our daughter, as I'm sure she has many of her students. We could not be more grateful that our daughter was able to share in Katie's life, if only for a short while. Our heartfelt sympathy to Katie's friends and family and know that we are lifting all of you up in prayer. Thank you for sharing Katie with all of us, she has truly left a legacy that will carry on in each of her students. God Bless. - All our love the McMurray Family.*

“ *Mrs. Horvath and the rest of the Horvath/Roy family,*

I cannot tell you how deeply affected I felt to hear this news. Seeing Katie so recently and having so many connections - dancing together, recently being married, teaching lower elementary, I am so saddened that so many wonderful people and, especially, children will miss the opportunity to meet and get to know Katie. Please know that you are in my thoughts and prayers as you go through this extremely difficult time. I hope God guides you through this extremely tragic time in your life.

The world has lost such a beautiful young woman. She was just the perfect mix of her parents personalities. So thoughtful and caring.
