“ Kathy loved her husband Mike very much and he made her very happy and gave her a good life. When their children came along her life became complete and she lives on through Steven and Lauren. For all of this we are very grateful. Love forever, Mom and Dad

“ I am so unbelievably saddened to hear about Kathy's passing. There was not another mother around who was as devoted to her kids as Kathy was. She was proud of them every day and I can only hope that they will remember that always.
