“ *We miss our dear neighbor and friend, Katherine. She is known as the grandmother to the Rhonswood neighborhood. She always gave a friendly smile, and waved from the porch enjoying time outdoors surrounded by her family. Marissa remembers all the fun she had with Katherine and her family. Katherine always gave encouragement whenever the kids were learning something new and never forgot to have fun. There were many fun times with water balloon fights, carving pumpkins, and roller blading. Katherine provided a kind word of encouragement and the love she shared with our neighborhood and family lives on in the Struble family. There was a celebration in heaven with her arrival and she will always be with us.*

“ *Kathy was always so much fun to be around. She was always the light in the room. From the first time I met her she made me laugh. She brought up a beautiful daughter, that was the sparkle in her eyes. I know she is looking down on you Wendy, and wants you to remember the good times you had together. That she is not feeling any more pain, and having a good long talk with your grandma. All this may sound weird to people, but to me. They are having so much fun in heaven talking about us. They know we are going to miss them, but they will see us all the time. Wendy she will always have a hand on your shoulder to help you. She will let you know when she is around, you can not see her but she is here.*

“ *Im truly sorry to hear about your lost. Katherine will definitely be missed by so many. One thing that helps me deal or cope with losing a loved one is the scripture John 5:28,29. It states, " Do not marvel at this, because the hour is coming in which all those in the memorial tombs will hear his voice and come out, those who did good things to a resurrection of life....." Soon we will be able to see Katherine again because God (Jehovah) promises a resurrection hope. I hope this gives some comfort.*
