“ I was blessed to have Aunt Kat in my life through her nephew Michael marrying my daughter Christina many years ago. Aunt Kat will be deeply missed by everyone. She was the kindest soft spoken person I have ever met. May her loving smile and spirit live in our memories forever.

“ I am so sorry for your loss. I remember Kathleen's wry sense of humour; she saw humanity's absurd side and laughed at our foibles - making us even more human because we laughed at ourselves. I also remember her support of Brian's guest lectures at UDM. He was very proud of his cousin's faith in his abilities and I will always be grateful to Kathleen for that.

“ I was shocked and saddened to receive news of Kathy's death. I knew her back in the late 70's and early 80's when we worked at U of D together. I always thought she was such a hoot and enjoyed our time together. My deepest sympathies to her family and friends.
