“ I was very sad to hear the news of Kathleen's passing. We worked in the GCPS many years ago and she was always pleasant to work with. We also enjoyed our lunches & conversations together. She always talked about her daughter, son and mom. I was delighted after my retirement that she visited our Sedona, AZ home. I was happy to hear she pursued her music talent & passion. Prayers & Peace to her family.

“ I only knew Kathleen briefly from the music community but will remember her as a lovely, deep-feeling soul who honored us with her gift as a passionate singer, delightful songstress, and wonderful pianist. Deeply sorry that she's left the world so soon. My heart goes out to her family and all who knew and loved her.

“ *I'm SO SORRY for your loss. I worked with Ms DeView at Allen Elementary in Ann Arbor, for almost 2 years and truly saw the contribution she made with many children. She was enjoyed by students, not just learning from her. Outdoor Recess was always fun when Ms DeView was outside with us.*
