“ Dearest Grzywacz Family, What can I say about your mom that I haven't said over the last 37 years? What a wonderful friend she was, my best friend! We shared so many wonderful times and created so many memories just as your dad did with Bud for so many years. I can't replace her or your Dad but the memories will live on in my mind and heart forever. Right now it isn't making it any easier, but later I will laugh about all the things we talked about, and the tears we shed together. Friends really do leave footprints on your heart and the ones in mine left by Kathy and Bill will be what takes me on through the tough time ahead. We loved your entire family, and we are here for you girls just as we were for your mom after your dad passed. Much love and Angel Hugs to you all. With Love and Sympathy, Bud and Linda RIP Kathy and Bill, keep Heaven smiling til we get there!
