“ *Stu, so sorry to hear about the passing of Kathy. I remember well our time at Holy Cross, Resurrection and the friendships you had with my mom and dad (Clark and June Woolsey).*

“ *My thoughts and prayers go out to your whole family! Your mom, was our physical education teacher here at St. Damian for several years. The children loved her and I enjoyed our brief visits each week. She was always enthusiastic and encouraging to the children, obviously showing her love for her work. May God's love comfort you at this difficult time. Kim Rourke 4th grade teacher St. Damian*

“ I'm Lyla Linn, daughter of Eleanor Sylvester. Please accept my sincere sympathy. I remember Kathy at the Reppenhagen Reunions. To Mary especially, I thought that you would be interested in knowing that after I got my first computer, I retyped the Reppenhagen Family Tree, updated the families that I had information about, added years of births and deaths and also Velma Bell found a picture of the five original Reppenhagen children and their father and I added a copy of that and also a picture of the tombstones of the original children. Again, I am so sorry for your loss.

“ We will always remember the fun of the wrestling days. Kathy was such a hard worker. It was nice to see her periodically at the Summit - she always had a smile on her face. Watch over each other.
