“ *What a shame her daughter Janice is cheating on her husband Ryan with another woman's husband. What a tramp her daughter turned out to be. So sad, her mother would be so ashamed of her.*

“ *I met Kathy & Greg when I worked at Temeku Hills and when Kathy began working at the front desk. Never a dull moment with her, always a smile. I felt like between Kathy & Joanna I had two more moms in my life, seeing as my mom lived in Chicago. Kathy was always smiling. She was there for me always and we even had talked about a visit to Michigan, never happened. Well my friend, some day I will see you again, until then please keep watch over me. ❤️🙏*

“ *This woman was the best conversationalist. I don't ever remember a moment without a conversation that erupted in happiness. She brought the light to every situation. This picture reminds me of just how much she cared for herself which turned into the trait of caring for everyone around her. She will never be forgotten...fly our angel.*

“ I will miss my friend and hold her in my heart forever. One of the best thoughts I have of Kathy is fairly soon after we met. Greg, Kathy, Mike and I went to a Christmas parade in Old Town Temecula and one of the floats that went by was a Hawaiian float with Hula dancers. Both Kathy and I say, "Oh look they are signing" we thought that was so wonderful that there was a float for sign language and the deaf ! we carried on about it for several minutes and noticed that the guys were behind us laughing away...it suddenly hit us that it was a float for Hawaii and that they were hula dancing!!! People around us looked at us like we were nuts! You would have thought Kathy was "blond" like me! Good times and so many more fun memories!! We laughed until we cried! With us from the beginning, our good friends, Klip and Jackie. The guys were, "The Three Amigos" and we were their side kicks. So many fun times and great memories. We love you Kathy!
