“ I am a Minister of Jehovah's Witnesses my wife and I would like to give you and your family our deepest sympathy for the lost of your loved one. We would like to leave you with these words of encouragement from Gods word the Bible. At Job 14:14 it ask the question, "If a man dies, shall he live again?," The bible makes the promise: Your dead love ones will live...They will rise up. The bible also says, The righteous themselves will possess the earth and they will reside forever upon it. Isaiah 26:19;Psalms 37:29. May you find comfort in these scriptures and in the loving memories of your loved one. If you have any questions or concerns about the lost of your loved one feel free to email us at [ctksdk@yahoo.com](mailto:ctksdk@yahoo.com)

Sincerely, Carlos & Sandy

“ I am so sorry for your loss. I first met Kathy with her pups as a client when I worked at Dr Singhs. I instantly liked her. She was warm and kind and loved her dogs. I haven't seen her in 20 years but I've thought of her often. A very special lady <3

“ Little Katie Wright 04/23/2015  
Dear Tracey, Kelly, Niki, Dennis, Leo, and Margurite. I am so saddened by Kocky's passing. She was a kind, dear, gentle person that loved us all deeply. She was a very good Mother to her Girls, and loved all of you no matter what. You brought her the greatest joy of all with her Grandkids .And of course, those dogs. I'll miss her greatly. I loved her too. She was a big part of my life.

*My Love and Deepest Sympathy to your entire Family.  
Little Katie*

“ *One of the most genuine and real people I've ever met. A very sweet lady with a spirit of love and encouragement. I met Kathy when I was a child and Tracey was just a baby. I didn't get to see her often but when I did she showered my Mother and I with love and sweetness. I am blessed to have known her. Jesus shined through you, Kathy! My prayers, love and condolences to all of the family.*

“ *I remember the first time I met Kathy  
My husband Johnny took me to her house because he wanted me to meet some of his family, we just started dating then. She made me feel so warm and accepted me as a friend/family member from her first hello. She and I drank coffee while the guys drank beer and chatted for a long time telling family stories and getting to know each other.  
Kathy was the most kind hearted person I ever met. Always a compliment of some kind when she saw you or someone mentioned your name. She will be missed by everyone.*

“ Kathy was one beautiful lady inside and out. Her smile and humor would light up a room and she always had a kind word to say even when things were not always going right. Tracey was a dear friend of mine and through her it was quite an honor to know and love Kathy. My heart goes out to Tracey, Nicole, Kelly, Dennis and all her grandbabys who lost this great lady. This is one great angel that God has today and she will be watching and guarding over her family that she left behind..Do her proud girls I know you all will. As a young lady living with Tracey and Denise we would sit and party our butts off and one day here comes Mama Kathy knocking at the trailer door. After a stern lecture of telling us that there is better things we should be doing and going on and on as we listen and didn't say a word, boy was she mad. As she reached for the door to leave she said love you girls..This was the type of woman she was. No matter what she cared and loved people.. Kathy I will miss you and today I burn a candle in your honor and a honor it was to of known you.. Will continue to pray for all of your baby's that they may find peace and know you are not in pain and suffering anymore. R.I.P. Kathy!

“ You all have my deepest sympathy. Kathy will be missed by a lot of people and by me especially. We met on the internet and have been friends for years. It all started with Pekingese puppies, and never ended. I loved her like a sister and I will be praying for each of you. She is not suffering any longer and will always be remembered for her beautiful smile and her willingness to help others. You will always be loved and remembered Kathy.
