“ *Karl and family, my thoughts & prayers are with all of you. Kathy and I have been friends since the 6th grade, in Garden City We have been in and out of each others lives ever since. I am so grateful for the conversation we had a few weeks ago. Kathy said, she was ready for whatever God had planned for her. She will always hold a special place in my heart. May your faith help carry you through this sad time. I will miss you , my friend. Cecilia Nesbitt*

“ *I first met Kathy about 10 years ago. Wonderful person who knew what she wanted out of life. She loved her family fiercely and only wanted the best for all of them. She loved God and was so devoted to her church and beliefs. She did not fear dying, but just didn't want to leave so soon. You will be missed my friend.*
