“ *To Katie's family, thank you for sharing her with the rest of us. She was a great person, and I'm lucky to have been able to know her. Most people don't have opportunity to grow work relationships. She was absolutely hands down my favorite client of all time while i was at Quest. She was funny, bright and told it like it was!! Her spirit was infectious, and will live on in all of you. May God bless you all in your time of grieving and sorrow. Just remember you have an awesome angel watching over you now!*
