“ The light that shines through your smile was one that could shine a thousand miles!
You were a true Angel you Always showed your wings!
You were a loud spirit and a even louder
laugher your laugh was contageous!
You always saw the very best in every being you would meet!
You made everyone feel so incredibly special, sometimes without even saying a word!
You were always a big joy in my life!
You were so truest loved by every life you touched!
You will be so incredibly missed!
We will cry happy tears because you had a place in our hearts and you filled our life's with tremendous joys, laughs, smiles, tears, happiness, promise, and unconditional love. We are eternally greatful for your life here on earth but we will cry sad tears now that you are not here!
