“ *I can't remember I time when I didn't know Kathy. She and mom were friends as I became aware of myself and my surroundings... and my early youth was filled with time with Richie and then Cindy. There were others... the Love family... McRoberts family... Godwin family... others. I don't have the best memory... my memory works more along the lines of glimpses of time and my related emotions... Kathy and her family are loved. I pray she is happy now... and that mom gives her a big hug and they share a wonder and love filled laugh as they always seemed to do...*

“ I met and worked with Kathleen in 2008. I was transitioning between real estate companies and took a side job to cover for the temporary drop in income. She spoke about Northridge Church a lot. About a year or so later I showed up at Northridge to surprise her. I didn't know it was so big and had 4 weekend services. I never got to see her there and never got to thank her for the introduction. I joined Northridge and now I'm one of the bible study leaders. We only worked together for about 8-9 months but it did help change the trajectory of my life. Now she's basking in her reward.
