Kathleen "Beki" Smith

March 25th 1973 – January 19th 2018

Beki had a personality that was unusually unique in her own way, her own words. So we felt it would be better to write a tribute to her, in a way fitting for Beki, full of love and personality. Beki left behind the 4 most important people in her life, her adoring Father Robert, as well as her 3 Daughters, Offspring 1 (Tiara-Jade), Offspring 2 (Khariana) and Offspring 3 (Azia). Not forgetting her Fur Baby, Jaxon. Her Mother Gloria, left us too soon as well, but was sure to roll out the red carpet for her Super-Star daughter at the Pearly Gates. Beki was the definitive "Social Butterfly". She could talk to anyone, about anything at any time. She could make anyone's day better, with her enormous sense of humor. Many laughs, tears, Budweiser's and shots of Patron were shared amongst friends. She was the Surrogate Big Sister or Little Sister everyone wished they had. She spent many of nights, match making her friends with some of the finest suitors. If you had ever been hooked up by Beki, you would fully understand. She truly had a heart of Gold who touched several lives, and will be missed by all who knew her. She was the loving Mother and Friend we can only hope to be. As the tears flow, and all of our hearts break, just remember one of Beki's favorite phrases "Woosahhhh!" and smile and laugh through the heartache. That is the way she would want to be remembered.

“ *I've known Beki since I was 19, and my fondest memory was sitting around the fire at Wendy's house, doing shots of Boones farm, just saying BOONES before each shot. And our talks about ceiling fans and penguins were always the highlight of our conversations. I will miss the way she said, "what the hell?" I will miss partying with her at karaoke, I will miss her companionship. She truly was my sister.*

“ *Its been awhile since I've actually seen and talked to Beki outside of posts on FaceBook but I will surely miss her. One of my fondest memories was when she came to my apartment in Farmington with macaroni and cheese and a cooked piece of pork steak for my cat Stanley.*
