“ *I grew up right behind the Watson home. Kathy's kids were like siblings to us, and Kathy and Jim were like second parents to us. Kathy was a second mom to us. She always made sure we were well-fed and cared for, and was always generous and loving with everyone around her.*

*She was a wonderful person, and will be missed by all.*

“ *My memory of Mrs Watson is that she took care of ALL of us in middle school and high school. After basketball, most times we all ended up at the Watsons home. She was always very generous to our family and there were lots of laughs! We all love you! Dan Young*

“ Aunt Kathy - such a special person! She welcomed everyone with open arms! I have such wonderful memories of when we were younger and we would visit her and Uncle Jim in the summer - they would take us EVERYWHERE, it seemed, and were always happy to do it. When I got married, and Darren and I lived in Jackson, MI for a time, Kathy would drive us to/from the airport sometimes - always hilarious! I always enjoyed our card games with them too and wish we would have had more. Aunt Kathy was one of a kind - she taught me that people come to visit YOU, they are not visiting to see your house, or what you can feed them, they should be visiting to see you ... she told me that one time when I was worried about having people over for one of the first times after I got married. I still think about that, and I'm grateful for the advice.

“*Sonja and I share in your loss. Kathy was a special person to us. I almost felt like I was her Son because of the way she treated me....maybe she treated everyone that way, I don't know. We had an ongoing teasing relationship pretending we didn't like each other and didn't like how one another smelled...I know it's weird. It was just the opposite, we cared for one another deeply. I will miss her so much. God bless the whole Watson family during this time.*
