“ *Aunt June, a loving and selfless person :) I remember how tickled she was when Kenny and I were married... and many of our friends did not know Joan and June were twins. There were confused when they thought my new mother in law changed clothes so many times during my wedding reception. We all laughed about it when they realized there were two sisters. June had a great laugh and a wonderful sense of humor. She will be greatly missed. All the best, Debbie*
