Catherine Edwards - May 31, 2022 at 12:13 AM

“ *Aunty Kets, as she was known by relatives, was gracious to have invited us to spend summer at her home in Southfield in 1983. We have very fond memories that summer: swimming in her pool, shopping, and camping in Fairview. We also remember her spending vacations with our families in Salinas, CA. Aunty Kets was so loving and kind and had a beautiful smile and laugh.*

With love,

Angeline and Catherine
