“ *My thoughts and prayers go out to your family and I pray you will find the strength to overcome this most difficult time in your lives. Kayla was so beautiful and did not deserve the troubles she was faced with. Now is the time to share all of your wonderful memories with one another. Please let us know if there is anything we can do.*

“ *God Kayla I would have never imagined this. God must have had bigger and better plans for you. I'm sure gonna miss you. I'm glad I've had the chance of knowing you the last 10 years or so. I wish when you called last weekend I wasn't working and could have seen ya one more time. Look over us all and keep us safe. Miss you!*
