“ *If Keith was in your life, he changed your life. Twenty years ago our lives changed in a very impactful way and together we continued to handle the situations at hand and ultimately our goal was met. We were blessed with a wonderful life together and we were very happy. Keith was such a good man , not perfect... but who is. Missing him is like breathing, he will never be forgotten. RIP my love.*

“ *Sorry I didn't come. I just want to remember your Dad for-the great times we did have. I loved him very much. I am sorry for the pain he did go through. Just hope he is enjoying your Mother up in heaven and they are at peace. Love to your family.*

“ We first met Keith two years ago while walking Luna through the neighborhood. Keith was smoking his usual maverick reds and reading the paper on his porch and waved at us to see if he could meet Luna. Not only did Luna find a new friend, Jessica and I did as well. From thereon we would find ourselves sitting in his porch 1-2x/ day chatting, laughing and swapping stories. Luna would eventually have the ability to tell if Keith was outside via her super nose. Luna would bark at us to hurry and open the gate so she could run four houses down so we can all see Keith. Thank you for all the memories and good times together Keith. We will miss you! Love- Patrick, Jessica, and Luna Miller.
