“ *Keith you were always a ray of sunshine and so full of life. Our hearts are broken but we know you are not in any more pain. There isn't enough room to write about all the good times we've had together over the years. Although we haven't seen you for years we kept in touch and loved talking to you. Our deepest sympathy to your family. We love you today, tomorrow and always. The last time you pulled out of our driveway I bawled my eyes out along with you, knowing we probably would never get to see you again because so many miles separated us. You were one of a kind.*

Love you, Richard and Carol Siers, Eufaula, Oklahoma.
