“ A few times in ones life, you get to know someone that leaves a lasting positive impact on you and your family. We were lucky to spend a week every year with Keith at Walloon Lake. He was my patient golfing buddy, a joy to be around and quick witted. Barb, Carl (the younger) and Kristin cherished Keith, Lorri and the entire Johnson family. We are saddened by the loss but know his was a life well-lived.

“ My sincere condolences to all of Keith's family. We played golf once a week for many years and Keith was kind of the big brother I never had. Took a lot of my money but I got a ton of good memories and funny stories in return. He was a really great guy and will be missed by many.
