“ *Kerry, just wishing you and your whole family strength in this very difficult time. I know you will all help pull each other through this. I wish I had had the pleasure of meeting him, but knowing you, and what I know about your family, speaks greatly to who he was. Take care everyone.*

“ *I send my deepest condolences in the passing of Keith. I have great admiration for him as a person and cherish the relationship that I have had with him. I knew him to possess great love for his family and an unselfishness that positively impacted many lives. His spirit and love will not be forgotten and God will continue his mission through the lessons that he taught. My deepest sympathy extends to Jan, Kelly, Kerry, Todd and their families.*

“ Kerry and Todd, I don't know that either of you even remember me but I remember meeting your dad 25 or so years ago when we were in high school (and marching band...). Though i cant say i KNEW him, I do recall him being very nice. Hope you all are doing well during what must be a very difficult time.
