“ *Keith and I first met in middle of November of 1982. I saw him hugging and petting on a Detroit Newspaper box outside of the front door of a bar in Wayne in the pouring rain. He was asking that Newspaper box Baby where have you been all my life? Yup I took pity on him and rescued those Newspapers from him that night and we had Regina Joyce in February of 1984. It would have been 41 years this coming November since we first met RIP Keith. Aunt Pam and I along with her Sister Jennifer and Brother in Law Scott will always make sure she is taken care of for you.*
