“ *Keith was a very good friend of mine. I knew him for 28 years, we met in 8th grade and he was a very kind soul, big hearted person. He was so super sweet to my children and grandchildren, he called my son his buddy. We spent alot of time together fishing and going to different events together and it was always a ball hanging out with him. He was a true friend to the end, and I'm truly going to miss his funny,caring loving self. Until we meet again my beautiful friend, save me a seat up there in heaven next to you. Many prayers to his Mom and Skylar and family and friends. God bless you always Keith- Melissa Kaminski*

“ *Keith was like a brother to Michael and I. He helped our mom out around the house with projects numerous times and was a hard worker. After he was finished he would come in to eat with us, it made my mom happy that he enjoyed her food - Especially her crumble cake with fruit, when she realized how much he liked it, she made one the next day and sent it down to Keith, Pam and Skyler. Keith will be missed.*

“*I took care of Tiffney and Keith when Pam was in the hospital, Keith was only 4 years old at the time, he helped me cook and make cinnamon rolls, he was so proud of those cinnamon rolls cause he thought you had to go to the store and get them, he also gave me a new name Patty. He will be missed not only by me but family and friends.*
