

Kelly Ann Holmes

April 19, 1975 - April 5, 2023

Holmes, Kelly Ann, April 5, 2023 age 47 of Canton. Beloved daughter of Karen and Robert Holmes. Dear sister of Kevin (Nicole) Holmes of New York. She will be dearly missed by her niece Alyssa and many aunts, uncles and cousins. Kelly graduated in 1993 from Canton High School as valedictorian. She played basketball and softball and was selected to All State Softball Dream Team twice. She set national high school 7 inning strikeout record (24) and was inducted to Canton High School Athletic Hall of Fame.

She then graduated in 1997 from U of M Business School and worked at Plante and Moran while earning her C.P.A. in auditing for years. She then worked 21 years at DTE in Regulatory Affairs as a Financial Analyst. While a member of the softball team at U of M she was Pitcher of the year Big Ten in 1997. She was second team All American, first team Academic All American and held all time career victories record and inducted into A.S.A Metro Softball Hall of Fame. Kelly loved any outdoor activity; biking, walking, running through Detroit Zoo, metro parks, river walk, in neighborhoods, also loved Tiger ballgames.

She loved spending time with family and friends. She will be known for being a fierce competitor, witty, vibrant, kind, considerate, and loyal. Kelly's beautiful smile could light up a room! Life is better for having known her.

Sympathies to Kelly's family and to all whose lives she made better simply by being herself. We used to sit across from each other at work and exchanged the latest news and stories. A pleasure to be around, she was forever pleasant, cheery, kind, and ready to lend a hand. All who knew her will miss her greatly.

“*A very fond memory always appears when the Holme's name is mentioned. I met Kelly while playing softball at Livonia Franklin where her Dad was one of our wonderful teachers. Mr. Holmes brought Kelly to our softball games when she was young and eager to learn how to pitch. Years later, we lost our Dad to cancer and I was blessed to coach his softball team for one season. By God's grace, we played Stevenson in a tournament and I was able to see how great she had become. Kelly sure grew up to be a beautiful and successful person. I am deeply saddened by this news. May God bless this wonderful family and help them heal.*”

“ My memories of Kelly are mostly from high school... a happy, kind, positive girl and great athlete. When our paths crossed again somewhat recently, she was just a shining light... that same great smile and sincere way she listened as we tried to catch up on 25+ years. My sincerest condolences to Kelly's family.

“ I was so sad to hear the news of Kelly's passing. She was a wonderful person who I worked with on many regulatory projects over the years at DTE. Kelly was always so helpful, smart and a pleasure to work with. She was always smiling as she passed you in the walkway on one of her strolls around the campus during a lunch hour or break. She will be missed. My sincere condolences to her family and friends.
