“ *Knew Ken from way back when. We delivered the Detroit Times together and used to play football on the island of Southfield Road before it became a freeway and while we were waiting for the papers to be delivered. And in football it was nice to see him come out because he was tall and it was good to have a lanky wide receiver at St. Mary's. Don't recall any contact after high school and so sorry about his passing. He'll remain young in my mind.*

“ *We have had the privilege of having Ken's friendship for over 40 years. He was a kind, caring and gentle man. We greatly enjoyed his and Donna's company sharing countless dinners, trips and sharing the journey of life together. To lose such an amazing friend has left us heartbroken, but our memories together will always be fondly remembered. Love Sandy and Dave*

“ Dear Donna, it has been a long time but I remember Ken putting tires on several of my cars. And, how happy he seemed to be working with and for people. I always thought you were the greatest couple. My deepest sympathy to you and your family.
