Your broken hearts are being held up by the continuous prayer of family and friends as you begin a new life without your beloved husband and father. Ken's new life is painfree. He is at peace and in holy rest with the Lord. God bless you both with strength in your grief and healing...Col

“ My dearest Shannon and Katie, I seek for words to ease your sorrow and alleviate the pain of your greatest loss. But there are no such words. I weep with you and hold your hands throughout this painful time. Ken lives a new life now...again beautiful and whole, and pain free in the company of Jesus. On the darkest nights look to the sky and the brightest star will be shining a blessing just for you. It will be him ever watchful and sending his love and peace to heal your hearts!

“ *Shannon and Katie, Words can not express how sorry we are to hear of Ken's passing. I know we can never understand your pain, but do know that we are paraying for both of you. However, you now know that you have a special angel in heaven looking down and protecting both of you. May you find peace and comfort in each other, and never forget the excellent care and support you gave to Ken. You both were obviously super human in your tenacity fighting the good fight for Ken. I am also sure that the Brady clan were there at the gates of heaven to welcome Ken in. Wonder if they were singing the Irish songs were we treated to growing up !?!*

“ My heart is full of sorrow after hearing about Kenny’s passing. To say that his time with us was far too short is an understatement. The reality is that all who loved and knew him will sorely miss him. I hope that you and your family will find peace and comfort in knowing that his suffering is over and that his just rewards await him. Please know that our thoughts and prayers are with you, may God bless you and your wonderful family. Yours In Faith, Curt & Mary Jane

“ My favorite Things about working with Ken Birecki. He always treated everyone with respect, he was always kind and gentle I never once saw him lose his temper and he had to deal with all the computers and the people. He truly had a great spirit like a kid really . His presence will and has been missed May God Bless his Family .
