“ Dear Family of Kenneth Drange, I'm deeply saddened by your lost. I too have lost someone in death but what has helped me is the bible brings comfort and hope for the future such as; The bible promises that those we lost in death will have an opporunity to live again that they will here his voice and come out (john 5;28,29) This promised future includes perfect heatlh and gain everlasting life.(psalms 37;29

“ Im truly sorry to hear about your lost. Kenneth will definitely be missed by so many. One thing that helps me deal or cope with losing a loved one is the scripture John 5:28,29. It states, " Do not marvel at this, because the hour is coming in which all those in the memorial tombs will hear his voice and come out, those who did good things to a resurrection of life....." Soon we will be able to see Kenneth again because God (Jehovah) promises a resurrection hope. I hope this gives some comfort.

“ *My deepest sympathies to the Drange family. I'm sorry to be out of town during this time but please be assured of my families prayers. Growing up just a couple doors down I always looked up to him. He was a good man through and through and always treated me with kindness. Even when Kenny and i would dig holes in his garden and build forts making a mess of things. He will be missed and the world was a better place with him in it. God Bless you all during this time, Paul and Cassandra Husak*
