“ *Kathy & Kelly,*

So sorry to hear of your great loss. I was out of town during the services. My prayers and thoughts are with you daily. If there is anything I can do, please call me. Kathy, I haven't lost a husband so I can't say I know what you are going through because I don't but I have watched my Mom survive and remember I told you that you are stronger than you think you are and I know you will make it. It won't be easy but you can do it. And to you Kelly, I have lost my Dad and it is rough but my only assurance is that it never goes away but it does get easier over time. Just remember all the good memories and let that get you through. Sending all my love and prayer for both of you. Dale

“ Kathy,
My sincere sympathy to you and your daughter. I got back from visiting my brother in Ohio and read of Ken's passing. For years now, you've been such a strong advocate for HP teachers and kids while facing such daunting challenges in your family. I pray that God will strengthen you for the days ahead and that you've been encouraged by the support of family and friends this week. I look forward to seeing you.

*Sincerely,
Larry*

“ I was saddened to hear of the loss of Ken. I knew Ken quite well through the years in the school business work. I would also occasionally see him at St. John Neumann Church. He was a fine man and will be missed. My thoughts and prayers are with his family at this time.
