“ I can't seem to put sentences together they seem so corny and you would have hated that.....so here goes my thoughts....Burnt Spaghetti, Kato Kalin, sesame bagel with smoked turkey, chicken noodle soup, Toronto, Chicago, London, Paris, paper fish, shrimp scampi, Rocky's, ceilings that leak, Roosevelt University, Chinese food on Christmas day, prime rib and movies on Christmas eve, "they feed me garbage", tuna macaroni salad, Brueggers, cruising, 9/11, Winnie the Pooh, Joe, Gabby, The Clash, The Sex Pistols, Reverend Lynn, Michigan football, the hopeless Lions, Tiger's world series game, that crooked smile, Woodbridge, smelly soccer boys, Ipswich, Piccadilly Square.....these memory's are held in my heart....rest is Peace....Joe and Gabby are reunited with their dad...walk...and be free.

*May the road rise up to meet you,
May the wind be ever at your back
May the sun shine warm upon your face
And the rain fall softly on your fields
And until we meet again, May God hold
you in the hollow of his hand*

“ *London is calling, yes I was there too
And you know what they said? Well some of it was true
London calling at the top of the dial
And after all this, won't you give me a smile?* ”
