“ Im truly sorry to hear about your lost. Kenneth will definitely be missed by so many. One thing that helps me deal or cope with loosing a loved one is the scripture John 5:28,29. It stats " Do not marvel at this, because the hour is coming in which all those in the memorial tombs will hear his voice and come out, those who did good things to a resurrection of life, those who practiced vile things to a resurrection of judgment." Soon we will be able to see Kenneth again because God (Jehovah) promises a resurrection hope. Also if you notice that it uses the term "memorial tomb" and not [Grave] which means Gods memory. Kenneth seemed like a really nice guy, a person that God will definitely remember. I hope this gives some comfort. Dion R (Truth.1914@yahoo.com)

“ I was so sorry to hear of Mr. West's death. I have wonderful memories of both your Mom and Dad as our neighbors and friends. Your Mom hosted a baby shower for my first baby 36 yrs ago! We always laughed watching our little brother, Mark, follow your Dad down the sidewalk, both with similar tummies. My thoughts and prayers are with you, Jim and Rob, and your families. “ To The West Family, I was lucky to have known Grandpa Ken for the last few years and can say without a doubt that he was one of the finest men I know. His love for his family and his support for his grandson Steve and their bond for the love of theatre was so special. I have fond memories of Steve sharing stories with me about his numerous trips to see various shows around Detroit with his grandfather. I remember, like it was yesterday, Ken and Judy coming to the Cherry Hill Village Theater to see Steve in a few productions we did there together. They were so overjoyed and happy to be there - their smiling faces out in the lobby after the show is such a fond memory that I will remember forever. I am comforted to know that Grandpa Ken and Grandma Judy are together once again. A thought that makes me very very happy. My thoughts and prayers are with my best friend Steve and his wonderful family. Grandpa Ken will be forever loved and missed. Love, Joe Drake

“ I am so very sorry to hear of Ken's passing. It was a shock to hear as he had told me he was doing well when we had last spoken. In the few years that I have known him and worked with him @ Lost Lake Woods Club, he was a great man and wonderful friend. He will be truly missed. My prayers are with your family during this sorrowful time.

“ My deepest sympathies to Jim and Rob and to the rest of your family. Your dad will be sorely missed. He had a wonderful caring spirit that spread joy far and wide. He and your mom were such good friends to my parents and to all of us who had the privilege to know them.

“ Jim and Rob and family - So sorry for the loss of your dad - - he was a great neighborhood dad to have growing up. I have fond memories of getting to help him with various projects when the house was being built in Plymouth, or seeing the West boys return from "the hunt" with a deer, etc, etc. He will be greatly missed by all, I'm sure. Our deepest sympathies to you & your family.

“ I have known Ken all my life and when I say all I mean all 55 years. I didn't get to see Ken much in the last few years. But I can tell you I will miss him more than words can say. What a great man he was. Ken spoke at my dads funeral 22 years ago and I still remember the kind words he said. He was an amazing friend. My heart goes out to Jim and Rob and there entire families. Ken and Judy are together again. And Heaven's a better place with them in it.
