“ *If there's a hell, he's there right now. Convicted child rapist. Real bad person.*

google him and see that he was in jail and never allowed to teach again. I personally know of 4 other girls he molested and or raped years before and nothing happened at all. His family is good but he was pure garbage.

“ I'd like to send my condolences to the Wilburn family especially to Kenny's children and sister Novella. I will continue to lift you up in my prayers. I lost a loved one also. Kenny was my brother and as time passed Kenny and I lost contacts somehow. Preacher Fred Jr., was the glue that kept us all together. Once Preacher passed Kenny and I lost contact. My memories of Kenny were always pleasant . I remember his beautiful smile and laughter and the times I had with him & Preacher will always be cherished in my heart. You will be missed, Love you. Your little sister Crystal 🥺
